Authorization is granted for B&D TOWING a Pro Tow Co., or any of its Affiliates and Employees entry onto the Property for the purpose of vehicle removal. All vehicles removed shall be done according to California State Vehicle Codes 22658 and 22500 (Fire Lanes), or any paragraph pertaining to a HOA, Apartment Complex, and Commercial Property; or where Public Access is available for Public Parking under this Code.

Authorization shall remain as written by Property Owner, Management Company, HOA Board Members, or Manager of the Property and B&D Towing. Any changes in ownership or management needs to be in writing to keep any confusion from occurring regarding reason or cause of removal by both parties.

Authorization for Vehicle Removal is between B&D Towing a Pro Tow Co. and _____

***A fee will be assessed to vehicles falling into the parameters of "Junk Vehicles". A separate form titled "Abandoned Vehicle Removal Fee Agreement" will be used and a fee will be billed to the property at time of removal. Should the vehicle be redeemed, or if payment is made, the charge will be credited back or reimbursed. The abandoned removal fee is not considered payment in full to the registered owner of a vehicle, as they are responsible for all towing, storage and lien fees. ***
